MART FARMY, younger daughter of Nicholas John Hannen, Judge of H.H.M. s Court for Japan.

ondon, W., and of Ouseleys Wargrave, to

Hongkone, April 1878, 1891.

From the terms of the question addressed by Sir T. ESMONDE to the Under Secretary State for the Colonies in the House of Commons on the 13th March it will be seen that Hongkong is not the only Colony where dis- on. It is claimed there is an immense amount the Namou at the time of the commi sion of the gorously won a good race by a head. Time 3.32. satisfaction is felt with the arrangements of iron in her hull, and the great number of bulkexisting between the Government and the Crown Agents. In reply to the hon, member, Baron H. DE WORMS stated that the Secretary of State was satisfied that economy and efficiency were secured in a notable degree by the employment of these functionaries. The Under Secretary also stated to Mr. Edward Charles Hannen of London, that full information as to the arrangements with them would be found in the Parliamentry paper C. 3,075 of 1881. It is to be regretted that this paper with its valuable information should not sincere esteem and regard in which her parents amidst much beating of drums, slowly from the have been forwarded to the various Co- are universally held attracting residents of all far end of the line appeared the executioner; lonial Governments, for it may be remembered that when questions on the subject bridesmaid, assisted by two beautiful children, ment has been unable to give any complete the bride's parents was numerously attended. forward to make the better mark for the execuof Hongkong on the subject the Governand satisfactory reply. It appears, however, among those present being nearly the whole of transact or not. The statement is that they friends whose lives she had brightened by har quivering of the limbs, the spout of blood stops, "derive no personal profit from the transac-"tions of their office beyond their remunera-"tion as fixed by the Secretary of State." wasteful one, and that much better terms premovable. Suddenly, at this proposal favourably, and respond to our a most interesting stage of the game, when "2" appeal by subscribing the funds so urgently rehad thoroughly upset all theories of the law of chances by repeating itself successive times, just been received from some shareholders, and the Company's creditors have also come forward i when the more wary punters round the table were some instances and offered to take a portion of

considering whether the run was good enough the payment due to them in these shares. If you enable us to go on with the business of the Company by putting us in funds, we, for our part, will contians to spare no effort to make the Peak Hotel a success. It is not too much to say that numerous signs of liberal support are evident, and under the careful management of Mr. Jas. Anderson, seconded and assisted by Mr. Thomas, your directors are sanguine that the Hotel has a good future before it. Before moving the resolution you are called to pass . propose to rend the arguments in its favour contained in the circular of 26th Murch.

The oircular having been read, the CHAIEMAN men took up their positions with gongs and proposed the following resolution: 1.—That the capital be increased \$50,000 by the creation of 5,000 new shares of \$10 each, to be fully paid up, and that such new shares be is sued upon the following terms and conditions and with the following rights and privileges, viz:-(a) That the new shares be called preference shares, and that the holders thereof be entitled to a cumulative preferential dividend at the rate of 9 per cent. per annum.

b) That in the event of the Company being wound up, the helders of the preference shares shall be entitled to have the surplus assets of the Company applied in the first place in repaying to them the amount (810) paid up on the preference shares held by them respective. ly, but that the residue of such surplus assots shall belong to and be divided among the other members of the Company. () That the directors be and they are hereby authorized to issue the said shares or such pro-

portion of them as they may deem necessary in such manner and to such persons as they may Mr. R. M. META seconded and the motion The CHAIRMAN said the necessary confirmator,

Some time was taken to carry on its business. Some time to carry on its busine Mr. Ramsay's Ploughboy, ... (Mr. Murshall) 1 to enter Parliament how or in the fature; ing. Soon after, the boats of the Anson having managed to jump into her. He save that while on board the Utopia, after the collision, he was surrounded by a terrible mass of human beings fighting their way desperately and savagely, regardless of sex or age, toward the boats. Mon, Referring to Parnell's delegation to the United women, and children tumbled and climbed over escape from drowning. One poor woman who was estimate that 50 per cont. of the Irish-Americans rescued by the Anson's blue jackets went raving were drowned. There were similar distressing incidents by the score, the most awful of all occurring when the Utopiz, with a final, desperate lurch, sank with her haman freight clinging about her and drew hundreds of living persons The Pall Mall Gazette to-day gives great pro- down with her. Many of those who had sprung mineact to a communication from a gentleman into the sea when they saw the steamship could not float many moments, longer, were then also foundland, and who is now in this city. In this drawn down in the awful whirlpool caused by the Utopic's disappearance. Some came to the surface again for a few moments before sinking Government to enforce the maritime law in finally to their watery tombs. Others, more The lucky, were able to cling to pieces of wreckage, ficaling spars, care, gratings, hatchways, boats, life belts, etc., and thus kept themselves above water until rescued by the warship's boats. But, Gazette says that unless something is done to as usual in such cases, the weaker succumbed to rise no more with their terrified offspring clasped to their breasts. Children clung to their parents so desperately as to, in several cases, cause death to both, where they might otherwise have escaped.

The Anson's boats were lowered immediately after the collision, as were also boats from other vessels of the British Channel squadron. The Swedish man-of-war Ereya and ship Amber and the ironclads turned their powerful electric search-lights on the scene of the disaster to assist the resours. On shore the news of the disaster spread quickly. An enormous crowd soon gathered on the parade and great excitement prewreck, so they were compelled to lie to leaward.

threstened motion to adjourn to challenge the sailors were drowned. The remainder were The officers of the Utopia, in talking about ment that the opinion of Parliament was the catastrophe, say they will never forget the scenes that followed the collision. Italians were thrown into a state of complete and cowardly Smith makes his promised statement on Monday, panic. They yelled frantically, and fought madly to reach the forecastle. A few of the married men brought their wives with them, but the majority of the Italians acted more like beasts than men. The forecastle and rigging were soon crowded and the vessel began to settle down. Presently an explosion with a deafening report occurred in the forecastle, killing many

and throwing others into the sea. Luckily, the masts held and remained some yards abovewater, as the vessel touched bottom. From forty to fifty persons were rescued from the masts. Among the acts of valour at the height of the gale was that of a British middy, who put off alone in a dingey for the purpose of rendering assistance to persons clinging to the wreckage. Another hero was a seamen on the ironolal Rodney who boldly plunged into the sea, and, after a desperate struggle, succeeded in saving one of the women who were floating in the water. At 4.30 p.m. it was announced that the official report of the number of persons on board the Utopia shows that when she left Naples she had 880 souls on board, including the passengers and crew. Of this number only 311 have been

saved. Thus 569 of her passengers and crew are either drowned or missing. A later estimate, however, places the number C. G. Davis of Boston, a saloon passenger, is among those reported missing.

Divers and the boats' crews who have been at work all day in the efforts being made by the British naval authorities to recover as many as possible of the bodies of the passengers and crew of the sunken steamer Utopia, have ro-The officers and prew of her Majesty's ship Anson state that the Utopia fouled with the ram of the Anson and thus caused the damage which resulted in the passenger steamer sink ing. The Anson's officers assert that no blame

Very true, but wait a moment. Because you

never go to sea, do you think the sudden de-struction of a ship's engine has no lesson for:

you? How shortsighted men are! Did you

ever lie on your bed at home, or on a cot in a

Yes, of course. Suppose we say "repair" you;

it comes to the same thing, for we are kept alive

Sometimes a man's machinery is never right

from the bour of his birth. Here is a short story

one man-tells about himself which will show what

because another is, but a baby may be weak

because its parents were, or some other of its

succestors. It is spoken of in the family that

whom I was an infant, I did nothing but sleep.

play, cry, kick, and take notice of things. My

my liver. Nevertheless, I lived and grew up as millions of children do. But inherited disease

makes its mark sooner or later, according to

time, but not all the time. He should laugh,

Do you see the force of the illustration P

wards found out how it bappened, and repaired

the engines, and no lives were lost."
